Mfrs. & Exporter of : Chassis Components for HCV, LCV & TRACTORS

## INTRODUCTION

Auto Traders was established in the year 1974 with a prime motivation to redefine quality standards by introducing their firm beliefs and skillful approach to the world of auto parts. We emerged as a small trading unit and marketing chassis components for HCV, LCV, and TRACTORS in the name and style of Citizen Star.

We stand tall with the acceptability of our products in the market. Over the years, the company has developed a wide range of chassis components above **10000** items.

Our uncompromising commitment to excellence is our only source of inspiration. This dedication has borne fruition as the company is certified with ISO 9001:2000 and globally accepted. Citizen Star range of products are being exported to neighboring countries, Middle East, Far East African countries where our products are being appreciated for its quality standards.

The company has a strong infrastructure background and managed to have highly skilled and motivated professionals which delivers tremendous results and inspire further growth.

Achieving customer's satisfaction through timely delivery of products as per customer's requirement is our main objective. The ultimate goal of the company is to enhance domestic as well as international competitiveness for meeting future challenges.
